

**8th ECIC European Coke
and Ironmaking Congress**

**9th ICSTI International
Conference on Science and
Technology of Ironmaking**

2 Conferences - 1 Location

SPONSOR AND EXHIBITOR PACKAGE

October, 4 – 8, 2021

Bremen – Germany

www.ECIC-ICSTI-2021.com

**Steel Institute
VDEh**

FOLLOWING THE SUCCESS OF TWO INDEPENDENT CONGRESSES

BOTH EVENTS WILL COVER ALL FIELDS OF IRONMAKING INCLUDING PRE-PRODUCT STEPS SUCH AS IRON ORE AGGLOMERATION AND COKEMAKING.

The 8th ECIC sets the focus more on practical, plant operational results and plant construction and the 9th ICSTI more on fundamental research work and evaluation.

In conjunction with the 8th European Coke and Ironmaking Congress and the 9th International Conference on Science and technology, the Steel Institute VDEh would like to invite you to actively participate in two events.

We estimate that between 500-700 experts in the cokemaking and in the ironmaking industry as well as in research and development will participate in the events.

Your contribution and participation will help us make these a success. All plant manufacturer and supplier companies should not miss this unique opportunity to promote new products, outline services and highlight key achievements to delegates. The exhibition area will be located directly to the events. Coffee and refreshments will be served during breaks in the exhibition hall to maximise delegate visits to stands.

SCOPE AND TOPICS

The 8th ECIC and 9th ICSTI will bring together a wide range of experts, coming from plant operation, plant suppliers, universities and research institutes, who share expertise in

- Cokemaking
- Sintering
- Pelletising
- Blast furnace ironmaking
- Direct reduction
- Smelting reduction
- Industry 4.0 in ironmaking

Both events will provide a forum for best practise and state of the art technology, new developments, new ideas and research results.

We are very happy to welcome you in Bremen!
Steel Institute VDEh at Stahl-Zentrum
